Wipe the surface with a damp cloth or sponge. You may use a mild soap or detergent. Wipe completely dry with a soft rag using a straight line motion.

Care Instruction:

We recommend washing the parts of the product that come into contact with food before first use. For ongoing care, clean the product after each use as follows: • Wooden parts should never be immersed in water. Clean them with a damp cloth using clean lukewarm water and neutral soap, then dry immediately. • Metal parts can be hand-washed with clean lukewarm water and neutral soap, followed by thorough drying. • Plastic parts can also be hand-washed with clean lukewarm water and mild soap, then dried. • Avoid using abrasive sponges, harsh detergents, pressure washers, or dishwashers! • After washing, store the product in a clean indoor environment, away from moisture and direct sunlight.

For manufacturing necessities, the mentioned specifications are not binding and could be changed without prior notice. Sales conditions are available upon request.
