CLEANING INSTRUCTIONS

Care Instruction:

We recommend washing the parts of the product that come into contact with food before first use. For ongoing care, clean the product after each use as follows: • Wooden parts should never be immersed in water. Clean them with a damp cloth using clean lukewarm water and neutral soap, then dry immediately. • Metal parts can be hand-washed with clean lukewarm water and neutral soap, followed by thorough drying. • Plastic parts can also be hand-washed with clean lukewarm water and mild soap, then dried. • Avoid using abrasive sponges, harsh detergents, pressure washers, or dishwashers! • After washing, store the product in a clean indoor environment, away from moisture and direct sunlight.

Wood

For cleaning, use a damp cloth with water. Do not use solvents, detergents, or abrasives. Do not immerse in water and dry immediately after cleaning.

For manufacturing necessities, the mentioned specifications are not binding and could be changed without prior notice. Sales conditions are available upon request. Being wood a natural product, the shown colors are only indicative. Possible color and grain differences in comparison with samples and previous shipments are not reasons for claim. All parts and materials with direct food contact have been tested and approved for food contact according to the rules established by law. All rights reserved - ©Ze Pé.
